## **INTRODUCTION**

### **HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT**

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

You will probably encounter some texts such as: “The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions, or redundant”.

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit’s archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

## **LIFE PATH**

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. You have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

***Susan D , your Life Path is 12/3***

You possess a great talent for creativity and self expression. Many writers, poets, actors and musicians are born under the 3 Life Path. You are witty, possess a gift for gab,

and savor the limelight. Your talent for the expressive arts is so abundant that you may well have felt drawn to becoming an artist while still very young. Your artistic abilities can only be developed, however, through discipline and commitment to the true development of your talent. Commitment, concentration and hard work are the only means of bringing forth your talent. Thanks to your gift for self expression, you can be the life of the party, and the center of attention. However, you could easily squander your talent by becoming a social butterfly. Your creativity is the gift that can give you the comfort and luxury you desire, but not without continual focus and discipline. You are optimistic and possess the resilience to overcome many setbacks. You are socially active, popular, and inspire people with your sunny "happy go lucky" attitude. You can be generous to a fault. Many people born under the 3 Life Path have difficulty handling money because they can be disorganized and not particularly serious about their responsibilities. You are emotional and vulnerable. When hurt, you withdraw into a cloud of silence, eventually emerging from your reticence with jokes and laughter that cover up your true feelings. You can become moody and cynical when depressed. You can succumb to sarcastic remarks, which can be painful to those around you. When used positively, your talent for self expression can be a great inspiration force in the world, uplifting others, and bringing much success and happiness to you.

***John , your Life Path is 14/5***

The key to your personality is freedom. You love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons. You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life. You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

You are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog. You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire. Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you. You yearn for freedom and self-employment attracts you powerfully. Your challenge is to settle into one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

Your 14 Life Path contains a Karmic Debt. This 14 Karmic Debt arises from previous lifetimes during which human freedom has been abused. Those with a 14 Karmic Debt are forced to adapt to ever-changing circumstances and unexpected occurrences. There is an acute danger of falling victim to abuse of drugs, alcohol, and overindulgence in sensual pleasures, such as food and sex. You must put the reins on yourself. Modesty in all affairs is crucial to overcoming this Karmic Debt.

Also important is the need to maintain order in life, and to establish one's own emotional stability. You must also be willing to adapt to the unexpected occurrences of life, all the while maintaining your focus on your goals and dreams. Flexibility and adaptability are at the very core of this struggle. Orderliness in one's immediate environment is crucial to maintaining clarity and focus. Mental and emotional stability must be attained in order to avoid being thrown about by the changing fortunes in the external environment.

But the key to the 14 Karmic Debt is commitment. Life will resemble a roller coaster ride, but it will always travel in the right direction if one's heart is set on what is true and good. Set yourself a high goal, maintain order wherever possible in your life, avoid excessive sensory indulgence, and maintain faith. Above all, do not give up on your dreams and goals. Those with the 14 Karmic Debt will experience life to the fullest, and as long as they maintain a high dream, they will achieve success and great spiritual development.

### ***Your Life Path's compatibility is 3 and 14***

Susan D and John , your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

This is an excellent combination, but because the partners are so compatible, they sometimes enhance each other's less desirable traits as well.

Susan D is upbeat, expressive, creative and playful. However, Susan D is not always focused and the results of Susan D 's productivity are not always useful. John generates a similar, sometimes restless energy. John , though, is more directed towards social activities, interacting with other people. John 's life style is dynamic and, if the decision is in John 's hand alone, this life style will involve lots of travel. If you happen to share a home, Susan D and John , you will have little trouble creating a living environment and a life style suitable to both.

You both communicate well. Your verbal abilities make you a popular couple. In fact, one of the things that could trip you up is the popularity and easy social interacting, since you both - but John in particular - may have a tendency to become jealous of your partner. You both thrive on playing center stage, you both want to be in the spotlight, and this may cause an uncomfortable competitive atmosphere.

Susan D , John can, at times, say things on the spur of the moment that are hurtful or reveal an underlying problem. You would do well reading between the lines, because, whatever it is, John probably won't spell it out. Similarly, Susan D likes to skim over the deeper issues in life, especially those in the emotional sphere. John needs to be

aware that, even after being close to Susan D for many years, much about Susan D will never be revealed. This shows that, if you are not careful, the two of you could be experiencing deep inner turmoil, and your partner might not be aware of it. The three and the five get along very well. Susan D likes the way John acts and talks. John has a wonderful time with Susan D's wacky sense of humor and upbeat nature. It is a good combination that can last a lifetime. If problems arise and reach the kind of proportions that put this relationship in jeopardy, it is usually because the partners didn't listen carefully to each other. Both the three and the five have a tendency to keep emotional problems on the back shelf instead of dealing with them. Then, once the turbulence reaches the surface, it is too late and the end comes swift and final. Susan D and John, you have to pay attention to each other. Watch for subtle signs of discomfort or anger, and deal with it immediately in an open, direct and compassionately way. That is the key to sharing an inspiring, creative, lively, happy life.

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

### ***Susan D, your Expression is 22/4***

You are the master builder. You possess a unique gift for perceiving something in the archetypal world -- infinite and divine -- and making some semblance of it manifest on earth.

You dream big. Every goal you have is enormous in scope. You dream of creating something that will last centuries. Your desire is to change history. You want to make your mark on human civilization. There is no limit to what you are capable of, nor any on what you dream of doing. Of all the numbers, yours possesses the greatest potential for accomplishment. At the same time, you possess the greatest liability. What it will require of you to fulfill your potential is nothing less than your entire life.

Even as a child, you have had a vague sense of what you must do and have always

been deeply intimidated by the awesomeness of your task. You have felt the intimations of your power. But these feelings have caused you to feel paralyzed by doubt.

You must advance well into adulthood before you can begin to make use of your power and truly commit to your destiny.

The promise and reward of your Expression is equaled only by the degree of difficulty and struggle necessary to realize its potential.

The number 22 offers those who fully realize it a chance to jump into another dimension in which your day is expanded, your capacity to create and inspire multiplied, your ability to perform lasting service to mankind extended beyond the normal limits of one's life.

You may turn away from the challenge you face for the safety of limitations and practical considerations of the 4 (22 reduces to a 4 expression). You may not want to take the great risks that the 22 presents. Instead, you may try to content yourself with limited achievements, telling yourself that your big dreams are unrealistic fantasies. This can cause some frustration, because on some level you feel called to greater things. Nevertheless, your chances to be successful, even when you limit your efforts, are still good.

You have great leadership abilities. You are persistent. You also refuse to back down in the face of a challenge. You like to work in large enterprises and on an international scale. Borders or racial identities mean little to you. You see yourself as a world citizen, playing on the planet, and refuse to be limited by petty conventions.

You should marry someone who does not depend on you for entertainment, rather choose a spouse who can participate with you but provide an independent contribution to your goals.

You are blessed with a farsighted vision. Your efforts are directed toward great accomplishments and long-standing progress. You deeply want to create a great edifice that will make a lasting contribution, and you have all the tools necessary to do just that.

### ***John , your Expression is 18/9***

You are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

You realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching,

and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

### ***Your Expression's compatibility is 22 and 9***

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects “the path you walk on,” and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you

take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Susan D and John , this part of the chart reveals some important differences you will have to learn to accept if you want this relationship to last. There is very little where the four and the nine see eye to eye. The problem is not so much that the four and the nine are not compatible, but that they simply don't connect.

As always, you have to keep in mind that this is only one aspect of the chart, but even with that perspective, this is not a promising combination.

Have you ever met someone you had an immediate dislike for, or, perhaps, not so much a dislike, but an inability to make some kind of connection - a level where you could relate? No two numbers reflect that kind of unexplainable negative vibration as clearly as the four and the nine. The fact that you have a relationship is proof that other numbers in your chart are compatible to such an extent that they overcome this particular "alien" combination. Susan D and John , the success of your relationship lies on a large part on your willingness to allow each other a lot of freedom. Think of this relationship more as two strangers who love each other, than two like souls who found each other and fell in love. There is nothing to be gained by attempting to learn even the deepest secrets and inner experiences of your partner. In this relationship, the motto is: the less the better. The less you try to understand your partner, the more you will be able to let love weld your hearts while keeping your minds free.

Susan D , you will need to allow John a life devoted to people or projects you could never get excited about. John will have to compromise as well. Idealistic as John is, John can be self-righteous and annoyingly opinionated. If you try to change your partner, or persist in demanding that your partner sees things from your perspective, the only result will be the opposite of what you tried to accomplish: more distance, more confusion, more alienation.

The answer lies on recognizing the fact that you walk on parallel paths. So, in order to preserve your relationship, you must build a life style that will guarantee that your ways will never cross, that there will always be some distance between you. I feel, however, that it is necessary to stress that this is only one aspect of the chart. There is much more involved in your relationship and, perhaps, the complete lack of connection between the four and the nine will never become much of an issue. But if it does, remember that the distance between these numbers is the only thing that makes it possible for them to live in harmony. Try to overcome the distance and harmony no longer exists.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

*Susan D , your Heart's Desire is 22/4*

Deep inside, you long to create something that will have a lasting impact on the world. Whether it is a political movement, a business, or a philosophy, you have a strong inner drive to manifest something of major importance.

Like the 11, yours is a Master Number, possessing all the intelligence, sensitivity, and electric creativity that such a power would suggest. You have the inventiveness of the 11 and the down-to-earth practicality of the 4. This combination can make you supremely capable of making your ambitions a reality.

The demands of this Heart's Desire are as enormous as its potential. What will be required from you to fulfill your noble ambitions is nothing less than a commitment of your entire being.

The path you have chosen is not an easy one. You need time to develop, and you are unlikely to begin to fulfill your ambitions until after you have reached a certain level of maturity.

Whether you know it or not, you possess great power within your being. You were born with this power in a latent state, but on some level you were aware of it. Early in life, this power manifested itself as awkwardness and a discomfort inside of you. Your self image has always been one of contradictory extremes: on one hand you sensed your uniqueness and potential; on the other you may have felt insecure and perhaps even inferior.

This paradox has caused waves of self-doubt and lack of confidence. But it also is a powerful generator of energy that, when combined with the higher characteristics of the 22, can become a dynamic and unrelenting force. In order to channel such great power, you need a noble goal for which to aim.

You will probably try your hand at several different kinds of work before you rise to the challenge of your true ambitions.

You can be a great leader, inspiring and motivating with your vision and work ethic. Your ideas are so creative and superior that they inspire enthusiasm and sometimes even devotion among your co-workers.

You should be involved in large enterprises or governmental institutions. You have the organizational diplomatic skills sufficient to keep difficult and delicate projects on track.

Once you come into possession of your full power, there are many psychological and spiritual pitfalls to be faced. You can become arrogant and superior. You can become deluded into thinking that your judgment is beyond question, and that the advice and support of others is unnecessary. You may seek to control all power in a given enterprise. This dangerous and egocentric attitude is sometimes even extended to family members who you may seek to keep under your thumb.

Your challenge, once you have begun to use your true gifts, is to remain humble in the

face of your significant accomplishments.

You perform best when your domestic foundation is stable and supportive; it is very important to have a partner who shares your dreams and has high degree of strength and independence to keep up with your drive.

Challenges somehow draw the best out of you. Your human qualities -- creativity, humility, understanding, and compassion -- increase with the level of your performance. Therefore, commitment to excellence is central to your success and inner development.

### ***John , your Heart's Desire is 17/8***

You want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards.

You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power is directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving.

You need to cultivate your ability to evaluate others.

It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old cliché, "Idle hands are the devils workshop." Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive.

Disappointments become shattering, causing terrible consequences in self-image and self-love.

Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

### ***Your Heart's Desire's compatibility is 22 and 8***

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

This is an excellent combination of numbers, not only in romance, but also in business. The four and the eight are like the gears in an engine. They connect perfectly and increase each other's torque. By joining their forces, they triple or quadruple their output. This is considered the best possible blending of archetypes for a business. Susan D delivers the persistence, determination, dependability, and methodical approach required to reaching any set goal, while John , the visionary, brings in the conviction that no dream is unattainable.

Fortunately, a similar synergy exists in romance as well. Although the four and the eight are different in many ways, they respect each other and recognize each other's value. Together, they are able to create a wonderful environment of trust, love and deep spiritual bonding.

Susan D and John , although this aspect of your charts reveals an almost perfect combination, dangers do exist, like in any other number combination. John will eventually need to try something that Susan D will perceive as outrageous and doomed to fail. John 's stubborn determination and at times authoritarian approach may very well become a major irritant in Susan D 's life. Susan D , whenever that happens, the best approach is to simply back off. Communicate your ideas, but don't ever try too hard to persuade John to give up a plan or a goal John believes in. By the same token, John will, at times, feel that Susan D is a stick in the mud who doesn't dare to step off the beaten path. In such situations, John would do well to remember that such behavior does not mean a lack of courage on Susan D 's part, but simply that Susan D will not waste time or take risks for something Susan D doesn't believe in. In any of the situations just described, feelings of frustration may overshadow the love and respect that is the foundation of this relationship, leading to devastating results. Although rare, it is not unheard of for this combination to survive several major breakdown-reconciliation experiences, even divorce and re-marriage. The way to avoid pushing it too far is through compromise. Compromise is the key word to safeguard this excellent number combination. Sometimes, Susan D , even when you know a project is doomed to fail, it may still be worthwhile to pursue it. As for you, John , your goals or ideas may be valid, yet, as you typically become more enthusiastic and motivated when Susan D - or anyone else for that matter - says it is impossible, you might want to consider whether pursuing it is the smart thing to do.

## **PERSONALITY**

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also

welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Susan D , your Personality is 18/9***

You have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others.

Many actors, dancers, and other performers have a 9 Personality Number. You are elegant, graceful, and charismatic. Many admire you.

You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you.

You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world.

Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

You are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing.

You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

### ***John , your Personality is 19/1***

You radiate with a dynamic and efficient energy. You appear controlled and capable. You value courage and effort in the face of difficulties and these qualities show. Others can sense that you will not be pushed around.

You should dress in a dignified and correct manner, caring for the details of your appearance. While you may spend most of your time in staid business dress or suits, bright and cheerful colors work well for you. You are fashionable, but have your own style.

Your appearance suffers more than most people when you are overweight. Overweight directly contradicts the type of personality you are trying to project. Straight lines and square corners accent your good physique and enhance your appearance as a leader.

You are recognized as a pioneer; you have your own ideas of how to do things. You are a risk-taker, original and highly creative.

You should be wary of appearing too aggressive or unreceptive. You can intimidate people if you don't soften your exterior somewhat. By doing this, you will attract less confident people who will be more willing to approach you with their thoughts and suggestions.

### *Your Personality's compatibility is 9 and 1*

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Due to the fact that both of you have a tendency towards arrogance as well as to being somewhat egocentric, this is a very difficult relationship, as far as romance is concerned. At least in this aspect of the chart. It will only work if a certain amount of distance is maintained. Each of you has to live your own life. Ironically, although difficult, this is not a bad combination for most other kinds of relationships. Friendships, parent-child as well as business relationships, often work very well with this combination. Precisely because the numbers stand on opposite ends of the spectrum. They complement and balance each other. Together, they represent a lot of talents and useful qualities that ensure a powerful combination in most relationships, except in romance.

It is in romance that these numbers tend to be challenging.

The solution lies in mutual understanding, not to get in your partner's way, not to expect your partner to always be there for you, and certainly not to expect your partner to live the kind of life you feel is right.

This combination has a much better chance of surviving if John and Susan D have the number two and/or six among their other core numbers.

The numbers one and nine are far apart and this is reflected in John and Susan D 's understanding of each other. In many areas of life you are so different that you can't even relate to the other person's view. And, as with every romantic relationship, these shared views are required. We feel secure in the knowledge that our partner confirms what we feel and think. And, if the relationship between John and Susan D is of the romantic type, there will just not be much of that.

Very often, when a one and a nine engage in a romantic relationship, the people on the periphery think it is very funny to see them together. Together but yet so different, so unique. Neither John nor Susan D tends to conform easily to the rules and expectations of society. And that is one of the few characteristics you have in common. However, you probably dress very differently, have very different tastes, and consider different things important. Chances are that you are each other's polar opposite. And, while we say that opposites attract, the trouble is that they also tend to push each other away when they get too close.

There are no easy solutions or foolproof guidelines that work here. If you have been together for a while and your love is strong, this love will keep you together. If the relationship is fairly recent, your focus should be on your heart, your pure and unconditional love for your partner. And here is the most important advice to make this relationship last: Don't expect to change or influence your partner.

## **PERSONAL YEARS**

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

***Susan D , your Personal Year for 2005 is 8***

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and , depending upon the effort you put out in the past seven years , your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

***John , your Personal Year for 2005 is 6***

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self-reflection and readjustments, and December brings a sense of completion and fulfillment.

***Your Personal Year's compatibility for 2005 is 8 and 6***

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Although quite different, these cycles are nonetheless very compatible. Both of you, John and Susan D, will experience progress in career and other worldly matters. Susan D and John, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For John, it is simply a matter of the heart. John feels strongly committed and wants nothing more than to make Susan D happy. For Susan D, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Susan D, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, John's life. It is easy to see how that can become a source of friction: John needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

***Susan D, your Personal Year for 2006 is 9***

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and your courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next

epicycle.

***John , your Personal Year for 2006 is 7***

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

***Your Personal Year's compatibility for 2006 is 9 and 7***

John and Susan D , you may feel somewhat distant from each other during this period. You are both experiencing a lot of emotions that are not easily understood or explained. Although you share the need to be more inward focused than usual, the reasons are quite different. John , in what is at least in part a subconscious effort, is seeking understanding and clarity. John is on a path of increased self-awareness and spiritual growth. Susan D is also influenced by energies that focus inward, but on a more practical and emotional level. Some hovering insecurity may cause Susan D to feel less confident than usual. There are doubts and questions in Susan D 's life, but they are different in nature from John 's. Susan D 's turmoil is largely emotional. There is a big difference in the way this internal search for understanding is experienced. John , strange as it may sound, actually feels strong and capable. Susan D , on the other hand, feels vulnerable. Susan D needs you right now, John . Susan D doesn't per se expect any answers from you, but you can be a much-needed source of strength. For both of you, this is a learning cycle. And you will certainly come out spiritually and emotionally stronger.

***Susan D , your Personal Year for 2007 is 1***

Be ready for major changes. You will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals.

This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold.

You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done.

Be open-minded, organized, and focused. Avoid distractions and procrastination.

You are at a crossroads. You will need courage and a clear head to stay on the right track.

This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

### ***John , your Personal Year for 2007 is 8***

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. ### ***Your Personal Year's compatibility for 2007 is 1 and 8***

The one and eight is an excellent combination to inspire both of you to get busy. Susan D is pushing towards goals and John is discovering goals. The two of you are treading on a path of progress and financial improvement, although there may be some danger involved for John , who should be very careful and suspicious of any get-rich-quick schemes.

The gap between the cycles is considerable and has to do with your different spiritual paths. This will become particularly clear during this period and may cause some problems in the relationship. Much of it is superficial and a helpful bit of advice is to just ignore it. Sometimes, in order to maintain a healthy, strong relationship, you need to talk about your differences. There are instances though, when it is better to just avoid the subject and accept the fact that you love each other but are two different people with different experiences. This is a time to ignore the differences and just enjoy each other's company.

Both of you, Susan D and John , are going through cycles that strengthen your position on the material plane, and during their span, your best approach is to focus on that. As to your intellectual and spiritual differences, you will be better off if you don't disturb sleeping dogs.

## **PERSONAL MONTHS**

### ***Susan D , your Personal Month for March 2005 is 2***

March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

### ***John , your Personal Month for March 2005 is 9***

March is a 9 Personal Month in a 6 Personal Year and is often emotional because you may have to let go of someone close to you.

You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

### ***Your Personal Month's compatibility for March 2005 is 2 and 9***

Relationship compatibility of Personal Month cycles can have a powerful effect. But

keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Susan D and John , this is a time when you will be able to recognize whether the relationship is founded on real substance. You are both experiencing a time when emotional forces seem to rule. Susan D is somewhat self-absorbed and emotional about pretty much everything. Vulnerable and sensitive, Susan D is also more aware and finely tuned to recognize what is real and what is not. In order for the heart to see more clearly, some protective layers have to be dismantled. This is exactly what is going on with Susan D in regards to the relationship. While the heart is seeking truth and clarity, it is also more exposed and vulnerable.

For John , a different but no less emotionally charged period is reflected in the nine. John is also searching for answers, but the question is not so much connected to the relationship as to John , the human being. John is facing a crossroads and not sure about which way to turn.

This is a very important time for John , a time during which John experiences ups and downs like a roller coaster. A time of growth and choice.

Susan D and John , you are two people going through different emotional and spiritual changes. You will be able to support each other only in the most basic sense; you can give each other love.

If the relationship has real substance, you will get through this time with flying colors. If the relationship does not have real substance, you will both know that by the end of this period.

### ***Susan D , your Personal Month for April 2005 is 3***

April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground

of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Your self-expression and sense of humor improve, and it is easy to make new friends during this time.

### ***John , your Personal Month for April 2005 is 1***

April is a 1 Personal Month in a 6 Personal Year and brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life.

Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9 year cycle.

### ***Your Personal Month's compatibility for April 2005 is 3 and 1***

John and Susan D , not only is this one of the most compatible cycles but it also shows that your cycles are usually compatible in nature. A gap of two will always be maintained, which, as a rule of thumb, is a good sign. Next time, your cycles will be two and four, the period after that three and five, and so forth.

For this period, John , you are like someone who just awoke from a long rest, had a cup of coffee, and are now rearing to go. Your energy level is high. You feel strong and capable and don't want to be held back by anyone or anything. Susan D also experiences a dynamic time, but with less focus and more play. Susan D 's energy is more directed towards creativity, self-expression and relaxation.

The only possible discordance with this combination of cycles usually lies in John 's perception of Susan D 's behavior as lacking responsibility. Susan D is not in the mood to take anything very serious, which may become a source of irritation for John . John , you need to accept the fact that this period represents somewhat of a break – as matter of fact, a necessary break - for Susan D .

### ***Susan D , your Personal Month for May 2005 is 4***

May is a 4 Personal Month in an 8 Personal Year. It is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances.

There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well.

You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

### ***John , your Personal Month for May 2005 is 2***

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month and you will be called upon to use those abilities. You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other.

You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month. If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

### ***Your Personal Month's compatibility for May 2005 is 4 and 2***

For John , a time of growth as a result of networking, meeting people in relation to work or business, and consolidating plans. For Susan D , a time of hard work, focus, and probably a fair amount of frustration. For both of you, John and Susan D , the focal point should be career, work, your plans, and your future.

The relationship is not much of an issue. It is possible that you will experience times when you don't seem to communicate much or share as much time together as usual. You may even feel that you are pulling away from each other. Don't worry. It is simply a matter of not being able to be in two places at the same time.

This, however, is only one side of the coin. On a more subtle plane, it is almost as if the opposite takes place. Because for Susan D this is also a time of finding stability and comfort. Of placing things where they belong and establishing boundaries and territories. While for John the heart rules and emotions are strongly felt and quickly displayed. This means that you complement each other. While Susan D works on the practical aspects of your relationship, John energizes the relationship on a deeper level. You could say that during this time, Susan D works on the home and John works on the heart.

### ***Your Personal Month's compatibility for June 2005 is 5 and 3***

This is one of the most compatible combinations of cycles, John and Susan D . You are both experiencing a time of enhanced energy and dynamic growth.

Within the contexts of your relationship, you are able to communicate well, enjoy each other's company, and play off each other's energy. Lower blood pressure and less stress bring more flexibility to the body and to the mind, which explains why this is considered a cycle of healing.

There is little negative to say about this combination of cycles, except for the inherit danger of having too much fun. Quite often, the three as well as the five draw elements of danger in their search for new and exciting experiences, which does not go unnoticed to those around you. You will have to be careful not to draw into your circle people whose influence is less than desirable.

### ***Susan D , your Personal Month for July 2005 is 6***

July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business

and financial affairs. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them.

Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. You may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter, and may affect your living situation.

An unexpected travel is also a possibility.

### ***John , your Personal Month for July 2005 is 4***

July is a 4 Personal Month in a 6 Personal Year and it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed and commitments made.

You will experience progress as well as financial growth, and will also manage to play a larger role in the community around you. You may even find yourself combining your forces to reach common goals. Very few negative influences may come from this combination of cycles. Even a tendency for John to become irritated - perhaps even angry - a little quicker during a four cycle is easily lessened by Susan D 's ability to reach out and comfort John .

### ***Susan D , your Personal Month for August 2005 is 7***

August is a 7 Personal Month in an 8 Personal Year. The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself, and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your more worldly roles. You would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

### ***John , your Personal Month for August 2005 is 5***

August is a 5 Personal Month in a 6 Personal Year and brings some changes in work and your personal life. It is a dynamic time and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence.

If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

### ***Your Personal Month's compatibility for August 2005 is 7 and 5***

John and Susan D , this is one of the most healing and loving cycles you can experience. The five and the seven are very different, but they get along extremely well.

John is undergoing a time of changes and dynamic energy. Susan D , you are a bit more withdrawn than usual because your focus is on your inner life: who you are and where you are going. Although the cycles tend to influence you very differently -- outward for John , inward for Susan D -- these energies thrive on each other. Susan D , your desire, consciously or subconsciously, to understand better who you are and where you want to go, as well as the fact that you are more quiet and subdued, creates somewhat of an aura of mystery around you. This is very attractive to John , in particular during this time when nothing else seems subtle and mysterious. John 's charged energy and inspiring

attitude has a powerful and positive effect on Susan D , for whom this is like a lifeline to the “real” world. A mistake people in John ’s position sometimes make, however, is to view their partner’s quietness to mean that something is wrong. Don’t make that mistake, John . The one thing people in a seven period don’t want is for someone else to try to draw them out of that quiet space. Susan D would probably experience that as annoying and intrusive. Just be together. That is all it takes to make this a wonderful time of closeness and deeply felt appreciation.

***Susan D , your Personal Month for September 2005 is 8***

September is an 8 Personal Month in an 8 Personal Year for you. This is a month with great potential for your career and finances, especially to increase your finances for the long-term.

It is a time to be aggressive and outspoken. Your authority is needed and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

You are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time.

You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Social events are highly favorable and there will be ample opportunity for that.

***John , your Personal Month for September 2005 is 6***

September is a 6 Personal Month in a 6 Personal Year and forces you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground.

Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

***Your Personal Month's compatibility for September 2005 is 8 and 6***

Susan D and John , the influences and compatibility of this month's cycle are already

incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

***Susan D , your Personal Month for October 2005 is 9***

October is a 9 Personal Month in an 8 Personal Year. It marks the beginning of the end of a certain era in your life.

Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness, and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing is actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which will continue through different stages over the next years, is natural, and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions, and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

You are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship.

You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

***John , your Personal Month for October 2005 is 7***

October is a 7 Personal Month in a 6 Personal Year. Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

***Your Personal Month's compatibility for October 2005 is 9 and 7***

John and Susan D, you may feel somewhat distant from each other during this period. You are both experiencing a lot of emotions that are not easily understood or explained. Although you share the need to be more inward focused than usual, the reasons are quite different. John, in what is at least in part a subconscious effort, is seeking understanding and clarity. John is on a path of increased self-awareness and spiritual growth. Susan D is also influenced by energies that focus inward, but on a more practical and emotional level. Some hovering insecurity may cause Susan D to feel less confident than usual. There are doubts and questions in Susan D's life, but they are different in nature from John's. Susan D's turmoil is largely emotional.

There is a big difference in the way this internal search for understanding is experienced. John, strange as it may sound, actually feels strong and capable. Susan D, on the other hand, feels vulnerable. Susan D needs you right now, John. Susan D doesn't per se expect any answers from you, but you can be a much-needed source of strength. For both of you, this is a learning cycle. And you will certainly come out spiritually and emotionally stronger.

***Susan D, your Personal Month for November 2005 is 1***

November is a 1 Personal Month in an 8 Personal Year. It brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others.

You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives.

You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone are good, but your approach may be too aggressive and lacking in sensitivity.

If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

***John, your Personal Month for November 2005 is 8***

November is an 8 Personal Month in a 6 Personal Year and is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs. As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, this month may bring bad news.

This is a good time to straighten out financial dealings you may have with friends or relatives as well.

This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

### ***Your Personal Month's compatibility for November 2005 is 1 and 8***

The one and eight is an excellent combination to inspire both of you to get busy. Susan D is pushing towards goals and John is discovering goals. The two of you are treading on a path of progress and financial improvement, although there may be some danger involved for John, who should be very careful and suspicious of any get-rich-quick schemes.

The gap between the cycles is considerable and has to do with your different spiritual paths. This will become particularly clear during this period and may cause some problems in the relationship. Much of it is superficial and a helpful bit of advice is to just ignore it. Sometimes, in order to maintain a healthy, strong relationship, you need to talk about your differences. There are instances though, when it is better to just avoid the subject and accept the fact that you love each other but are two different people with different experiences. This is a time to ignore the differences and just enjoy each other's company.

Both of you, Susan D and John, are going through cycles that strengthen your position on the material plane, and during their span, your best approach is to focus on that. As to your intellectual and spiritual differences, you will be better off if you don't disturb sleeping dogs.

### ***Susan D, your Personal Month for December 2005 is 2***

December is a 2 Personal Month in an 8 Personal Year and shifts the focus to relationships and all affairs of the heart.

Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack, or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place. However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this

problem.

This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful, but may cause problems when money is involved.

### ***John , your Personal Month for December 2005 is 9***

December is a 9 Personal Month in a 6 Personal Year and it is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them.

You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself.

Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned.

If you are single, you may meet someone later this month.

If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

### ***Your Personal Month's compatibility for December 2005 is 2 and 9***

Susan D and John , this is a time when you will be able to recognize whether the relationship is founded on real substance. You are both experiencing a time when emotional forces seem to rule. In order for the heart to see more clearly, some protective layers have to be dismantled. This is exactly what is going on with Susan D in regards to the relationship. While the heart is seeking truth and clarity, it is also more exposed and vulnerable.

For John , a different but no less emotionally charged period is reflected in the nine. John is also searching for answers, but the question is not so much connected to the relationship as to John , the human being. John is facing a crossroads and not sure about which way to turn.

This is a very important time for John , a time during which John experiences ups and downs like a roller coaster. A time of growth and choice.

Susan D and John , you are two people going through different emotional and spiritual changes. You will be able to support each other only in the most basic sense; you can give each other love.

If the relationship has real substance, you will get through this time with flying colors. If the relationship does not have real substance, you will both know that by the end of this period.

### ***Susan D , your Personal Month for January 2006 is 1***

January is a 1 Personal Month in a 9 Personal Year. It brings progress as well as some

turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

### ***John , your Personal Month for January 2006 is 8***

January is an 8 Personal Month in a 7 Personal Year and brings success and reward from past effort. Self-reliance and confidence are the keys to success this month. Stand up for yourself and show stubborn persistence.

Your career is stable, with few ups and downs, but your finances are less secure. A conservative attitude to money matters is favorable.

Your attention is focused on long-term planning. You have good ideas that may well turn into an additional source of income later this year (during or around October). You also become interested in new avenues of thought or spiritual paths, which will inspire you to study or read.

The emphasize of this month is on long-term goals.

Friends and relatives feel that you are a little distant, and may get on your case in the hope that you will spend more time with them.

Romance is not particularly important. If you are involved with someone, feelings deepen and the bond becomes stronger.

### ***Your Personal Month's compatibility for January 2006 is 1 and 8***

The one and eight is an excellent combination to inspire both of you to get busy. Susan D is pushing towards goals and John is discovering goals. ***Susan D , your Personal Month for February 2006 is 2***

February is a 2 Personal Month in a 9 Personal Year. It awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

***John , your Personal Month for February 2006 is 9***

February is a 9 Personal Month in a 7 Personal Year. It brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships.

Your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking.

It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-changes that take place represent a much larger step forward than you will probably realize at this time.

March is a 3 Personal Month in a 9 Personal Year. It lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You express yourself easily and you manage to inspire and motivate others.

You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself, or share them only with one or two of your most trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

You should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break.

Romance is favorable, but you have to guard against irresponsible and superficial behavior.

### ***John , your Personal Month for March 2006 is 1***

March is a 1 Personal Month in a 7 Personal Year and, while you may still have a case of the blues on the early days of this month, March soon brings optimism, increased energy, and excitement. You are intellectually sharp and imaginative. You feel that anything is possible and that the sky is the limit.

Against the background of self-reflection and soul-searching that's such a major part of this year is this month's sense of spring-time in your heart. This is an excellent time to take on new challenges in your career, to start new endeavors, or, if you are in business or sales, to go out and snare that important new client.

Often, this month brings financial gain, but your attention is more directed towards intellectual accomplishments. Your pride and self-esteem get a boost.

A more difficult aspect of this month is your relationship with loved ones. You lack the necessary sensitivity to respond properly to the needs of those close to you. You are under the illusion that everyone feels the way you do; that problems are only minor impediments that can be taken in stride. However, your optimistic attitude also inspires them, and they grudgingly respect you for the way you seem to be handling things.

A romantic experience brings passion and excitement either late this month or early next month.

### ***Your Personal Month's compatibility for March 2006 is 3 and 1***

John and Susan D, not only is this one of the most compatible cycles but it also shows that your cycles are usually compatible in nature. A gap of two will always be maintained, which, as a rule of thumb, is a good sign. Next time, your cycles will be two and four, the period after that three and five, and so forth.

For this period, John, you are like someone who just awoke from a long rest, had a cup of coffee, and are now rearing to go. Your energy level is high. You feel strong and capable and don't want to be held back by anyone or anything. Susan D also experiences a dynamic time, but with less focus and more play. Susan D's energy is more directed towards creativity, self-expression and relaxation.

The only possible discordance with this combination of cycles usually lies in John's perception of Susan D's behavior as lacking responsibility. Susan D is not in the mood to take anything very serious, which may become a source of irritation for John. John, you need to accept the fact that this period represents somewhat of a break – as matter of fact, a necessary break - for Susan D.

### ***Susan D, your Personal Month for April 2006 is 4***

April is a 4 Personal Month in a 9 Personal Year. It requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired, ready to surrender. Your energy level is lower than usual and this makes it harder to keep up with your duties and responsibilities.

However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed.

This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

### ***John, your Personal Month for April 2006 is 2***

April is a 2 Personal Month in a 7 Personal year. Now the pendulum swings back

from the insensitivity of last month to heightened awareness, especially of others. You are aware of the emotional subtleties that lie beneath the surfaces. You take nothing for granted. Your wisdom and diplomacy will surprise people and prevent several situations from becoming explosive.

Relationships with both subordinates and higher-ups will improve. You receive support and are well-spoken of. Your intuition is keen; rely on it, and respect any premonitions you may have. Someone you meet sparks your interest, but you may find that the person is unstable and fragile. You play the role of teacher and counselor in this relationship.

Your understanding and intuition also offer you the means to heal formerly difficult relationships this month.

### ***Your Personal Month's compatibility for April 2006 is 4 and 2***

For John , a time of growth as a result of networking, meeting people in relation to work or business, and consolidating plans. For Susan D , a time of hard work, focus, and probably a fair amount of frustration. For both of you, John and Susan D , the focal point should be career, work, your plans, and your future.

The relationship is not much of an issue. It is possible that you will experience times when you don't seem to communicate much or share as much time together as usual. You may even feel that you are pulling away from each other. Don't worry. It is simply a matter of not being able to be in two places at the same time.

This, however, is only one side of the coin. On a more subtle plane, it is almost as if the opposite takes place. Because for Susan D this is also a time of finding stability and comfort. Of placing things where they belong and establishing boundaries and territories. While for John the heart rules and emotions are strongly felt and quickly displayed. This means that you complement each other. While Susan D works on the practical aspects of your relationship, John energizes the relationship on a deeper level. You could say that during this time, Susan D works on the home and John works on the heart.

### ***Susan D , your Personal Month for May 2006 is 5***

May is a 5 Personal Month in a 9 Personal Year and brings many changes and ideas that start you in a different direction.

You are restless and impatient. Your energy is scattered but you are ready to make a big step forward. A move of residence or a travel will bring inspiration.

You are at an important stage in your life where you feel a bit in limbo, but you also know that a change for the better is imminent. You feel excited and confused at the same time.

You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. You need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason, interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

### ***John , your Personal Month for May 2006 is 3***

May is a 3 Personal Month in a 7 Personal Year and is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to the opposite sex than usual and may receive some interesting proposals.

### ***Your Personal Month's compatibility for May 2006 is 5 and 3***

This is one of the most compatible combinations of cycles, John and Susan D . You are both experiencing a time of enhanced energy and dynamic growth.

Within the contexts of your relationship, you are able to communicate well, enjoy each other's company, and play off each other's energy. Lower blood pressure and less stress bring more flexibility to the body and to the mind, which explains why this is considered a cycle of healing.

There is little negative to say about this combination of cycles, except for the inherent danger of having too much fun. Quite often, the three as well as the five draw elements of danger in their search for new and exciting experiences, which does not go unnoticed to those around you. You will have to be careful not to draw into your circle people whose influence is less than desirable.

### ***Susan D , your Personal Month for June 2006 is 6***

June is a 6 Personal Month in a 9 Personal Year and brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.

### ***John , your Personal Month for June 2006 is 4***

Your energy level is high and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details, and need you to reach out to them.

***Your Personal Month's compatibility for June 2006 is 6 and 4***

John and Susan D , the combination of cycles you are now undergoing offers a number of opportunities for you to improve the quality of all aspects of your life. You complement each other very well. John and Susan D , your energies are in line and enhance all the good qualities found in the four and the six. You will experience progress as well as financial growth, and will also manage to play a larger role in the community around you. You may even find yourself combining your forces to reach common goals. Very few negative influences may come from this combination of cycles. Even a tendency for John to become irritated - perhaps even angry - a little quicker during a four cycle is easily lessened by Susan D 's ability to reach out and comfort John .

***Susan D , your Personal Month for July 2006 is 7***

July is a 7 Personal Month in a 9 Personal Year. It represents a time of insight and awareness. You start to realize the magnitude of the deep inner changes that are taking place and this fills you with a combination of fear and excitement. You know that the time has come to face up to important decisions that will affect your life, as well as the lives of those close to you for a long time to come.

Your fear is based on your indecision and inability to know if what you want to do is right. Your excitement comes from the knowledge that at least something is happening. In this situation, the key is to choose what feels right. Rely on your heart and your intuition, and have faith in yourself and your Creator.

Your career and finances are not priorities, except when they relate to plans you may have for the future.

This is a time to prepare for the long-term, not to reach for immediate rewards.

***John , your Personal Month for July 2006 is 5***

July is a 5 Personal Month in a 7 Personal Year. It is a time of unexpected events. Be flexible, especially in thought.

Let old concepts and dogma go. This is a time of incredible growth, mentally as well as spiritually, but you have to allow such growth to occur.

New information comes to you. You have the opportunity to change old ideas about

life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day. Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

You are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

### ***Your Personal Month's compatibility for July 2006 is 7 and 5***

John and Susan D, this is one of the most healing and loving cycles you can experience. The five and the seven are very different, but they get along extremely well.

John is undergoing a time of changes and dynamic energy. Susan D, you are a bit more withdrawn than usual because your focus is on your inner life: who you are and where you are going. Although the cycles tend to influence you very differently -- outward for John, inward for Susan D -- these energies thrive on each other. Susan D, your desire, consciously or subconsciously, to understand better who you are and where you want to go, as well as the fact that you are more quiet and subdued, creates somewhat of an aura of mystery around you. This is very attractive to John, in particular during this time when nothing else seems subtle and mysterious. John's charged energy and inspiring attitude has a powerful and positive effect on Susan D, for whom this is like a lifeline to the "real" world. A mistake people in John's position sometimes make, however, is to view their partner's quietness to mean that something is wrong. Don't make that mistake, John. The one thing people in a seven period don't want is for someone else to try to draw them out of that quiet space. Susan D would probably experience that as annoying and intrusive. Just be together. That is all it takes to make this a wonderful time of closeness and deeply felt appreciation.

### ***Susan D, your Personal Month for August 2006 is 8***

August is an 8 Personal Month in a 9 Personal Year. It brings financial matters to the foreground. Take a close look at your financial situation and adjust your lifestyle accordingly. Pay off debts. Tie up loose ends. Clean up this area of your life.

Often, an 8 Personal Month, 9 Personal Year brings a stroke of luck; a payment from a forgotten source, or an inheritance.

Use any extra income you might have to pay off your debts.

You are facing a future that requires some risk taking, or investment. Perhaps you have been thinking about a complete career change, or starting your own business. Either way, you need to get a clean slate before the end of the year.

You also receive recognition and compliments for effort put out in the past, which may result in a promotion.

Romance is in better shape than the last two months. If you are committed to someone and have experienced some troubles in the relationship, you will find stability and comfort this month. If you are single, you may meet someone through work or business.

***John , your Personal Month for August 2006 is 6***

August is a 6 Personal Month in a 7 Personal Year and with it comes stability and quiet. There is recognition and respect at work, but also the possibility that someone else takes credit for your effort. Apply yourself diligently. Responsibility and duty rule this month. There is financial gain, probably from a source other than work.

Your family and friends need your love and attention; give of it freely. Especially give your time and advice to a younger person. There is a lot of love that surrounds you this month, but you may not be aware of it. Your attention is focused inward and you may want more time alone than you actually have. Maintain balance. The people close to you need attention and you should be there for them.

Your spouse or romantic partner requires much of you this month, too, and your relationship with deepen as a result.

***Your Personal Month's compatibility for August 2006 is 8 and 6***

Although quite different, these cycles are nonetheless very compatible. Both of you, John and Susan D , will experience progress in career and other worldly matters. Susan D and John , this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For John , it is simply a matter of the heart. John feels strongly committed and wants nothing more than to make Susan D happy. For Susan D , there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Susan D , your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, John 's life. It is easy to see how that can become a source of friction: John needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

***Susan D , your Personal Month for September 2006 is 9***

September is a 9 Personal Month in a 9 Personal Year. Now your desire for change reaches a climax. You are taking steps to implement changes you have been considering for some time. Nothing is stable right now, but that should not worry you.

You are making progress in hidden ways. You feel insecure about the future but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

***John , your Personal Month for September 2006 is 7***

September is a 7 Personal Month in a 7 Personal Year. Now, more than ever, spiritual growth and self-discovery are highlighted. If you have not been fully aware of this inner search during part of this year, there is no escaping it this month. Dreams will be intense and you won't be able to shake them when you wake up. You will find yourself staring into space more often than usual. You are withdrawing and may experience some loneliness as a result.

You are questioning a lot of things that you had been taking for granted. You think about your life and the direction it is taking. The mysteries of life and death (without being morbid) occupy your mind.

You are mentally sharp and flexible, and you easily keep up with any demands that come your way. Your career, finances, and other mundane aspects of your life occupy a relatively smaller place in your life, this month. Without avoiding your duties, you can let these areas take care of themselves until early next month.

Your friends and family are less demanding.

Romantic ties can be surprisingly strong, however. You have a real desire to share your innermost feelings with the person you are attracted to, revealing a side of yourself that has not been available in such intimacy before.

***Your Personal Month's compatibility for September 2006 is 9 and 7***

Susan D and John , the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

***Susan D , your Personal Month for October 2006 is 1***

October is a 1 Personal Month in a 9 Personal Year. It is a month of new beginnings, new people, and renewed energy.

While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. You may meet someone who becomes a permanent fixture in your life.

***John , your Personal Month for October 2006 is 8***

October is an 8 Personal Month in a 7 Personal Year. It brings reward and recognition.

Often, this is a very good month for all matters related to career, business, and finances. You reap the rewards of what you sowed in the past seven years. (Next year offers even greater rewards than this month.) October gives you the opportunity to peak into the near future because it represents a small scale sample of what next year will bring. The eight cycle is a rewarding time, but there are two important sides to the way it is delivered.

On one hand, it is directly proportionate to the effort you have put out in the past. On the other, you receive exactly what you need to continue on your path. For that reason, you would do well keeping a close eye on your finances, especially to protect yourself from any shortfalls next year. Financial gain is much more common this month (and in the 8 Personal Year). In any case, this is a time to be aggressive in all matters relating to career and finances.

### ***Your Personal Month's compatibility for October 2006 is 1 and 8***

The one and eight is an excellent combination to inspire both of you to get busy. Susan D is pushing towards goals and John is discovering goals. The two of you are treading on a path of progress and financial improvement, although there may be some danger involved for John, who should be very careful and suspicious of any get-rich-quick schemes.

The gap between the cycles is considerable and has to do with your different spiritual paths. This will become particularly clear during this period and may cause some problems in the relationship. Much of it is superficial and a helpful bit of advice is to just ignore it. Sometimes, in order to maintain a healthy, strong relationship, you need to talk about your differences. There are instances though, when it is better to just avoid the subject and accept the fact that you love each other but are two different people with different experiences. This is a time to ignore the differences and just enjoy each other's company.

Both of you, Susan D and John, are going through cycles that strengthen your position on the material plane, and during their span, your best approach is to focus on that. As to your intellectual and spiritual differences, you will be better off if you don't disturb sleeping dogs.

### ***Susan D, your Personal Month for November 2006 is 2***

November is a 2 Personal Month in a 9 Personal Year. You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life. You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there.

Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

***John , your Personal Month for November 2006 is 9***

November is a 9 Personal Month in a 7 Personal Year. Your heightened inner awareness and the long inner growth-process you've been working on this year now reach a kind of completion this month in the form of realizations and insights that in turn improve your self-confidence and faith in the future.

At the same time, this is a period marked by emotional ups and downs as you are releasing old concepts, responsibilities, and relationships that you've outgrown.

You are doing some inner-house cleaning which reflects in work as well as personal life.

Your career may seem somewhat stagnant. You are looking for new opportunities and challenges, but not much will be forthcoming until late this month, or early next month. You should take it slow, perhaps even take some time off for rest.

There will be an opportunity for you to become involved with a good cause, which will prove both personally and professionally rewarding. In the long run, it may even help you financially.

As for money matters, this is not a good time to take chances or spend money on major purchases.

Some of your relationships with friends and relatives are being put to the test. You have grown and changed over the past year and may be a little out of touch with some of the people with whom you were close. In addition, you have become more discriminating about whom you wish to spend time with.

Sometimes, the 9 Personal Month brings a personal loss. You may have to let go of an old relationship or even someone you regard as a teacher. Romance is also in a make or break period. If the relationship has real substance, there will be some emotional turmoil but the bond will only become stronger.

If the relationship isn't strong, this will become very clear and cause a permanent break.

***Your Personal Month's compatibility for November 2006 is 2 and 9***

Susan D is somewhat self-absorbed and emotional about pretty much everything. Vulnerable and sensitive, Susan D is also more aware and finely tuned to recognize what is real and what is not. In order for the heart to see more clearly, some protective layers have to be dismantled. This is exactly what is going on with Susan D in regards to the relationship. While the heart is seeking truth and clarity, it is also more exposed and vulnerable.

For John , a different but no less emotionally charged period is reflected in the nine. John is also searching for answers, but the question is not so much connected to the relationship as to John , the human being. John is facing a crossroads and not sure about which way to turn.

This is a very important time for John , a time during which John experiences ups and downs like a roller coaster. A time of growth and choice.

Susan D and John , you are two people going through different emotional and spiritual

changes. You will be able to support each other only in the most basic sense; you can give each other love.

If the relationship has real substance, you will get through this time with flying colors. If the relationship does not have real substance, you will both know that by the end of this period.

***Susan D , your Personal Month for December 2006 is 3***

December is a 3 Personal Month in a 9 Personal Year. It's time to lighten up. Be playful, enjoy yourself. Don't take things too serious. It is time to recharge your batteries.

There will be ample opportunity for social events and you should take advantage of that.

Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax.

You are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

***John , your Personal Month for December 2006 is 1***

December is a 1 Personal Month in a 7 Personal Year. It brings renewed energy and enthusiasm. Your career makes a big step forward. There is financial reward, promotion, and possibly a transfer that brings a welcome change. You will be introduced to someone or several people who are important for your career and can positively influence your future.

While this month brings you and your relatives and friends closer together, the feelings are also intensified and your relationship with some of these people is in a very fragile state. There may be some outbursts of long suppressed feelings that have to be dealt with.

Relationships of all kinds -- family, friends, and co-workers -- tend to be somewhat unstable during this time.

If you are single, romance may become an important ingredient of this month's experience. You may meet someone new and this person will be an intellectual and spiritual challenge.

The attraction will be based less on physical appearance than on curiosity: there are profound differences between you in point of view and lifestyle, which is fascinating on some level. You learn from this person and, like looking into a mirror, you discover a lot about yourself and the changes that have taken place on a very deep level during the course of this year.

***Your Personal Month's compatibility for December 2006 is 3 and 1***

John and Susan D , not only is this one of the most compatible cycles but it also shows that your cycles are usually compatible in nature. A gap of two will always be

maintained, which, as a rule of thumb, is a good sign. Next time, your cycles will be two and four, the period after that three and five, and so forth.

For this period, John, you are like someone who just awoke from a long rest, had a cup of coffee, and are now rearing to go. Your energy level is high. You feel strong and capable and don't want to be held back by anyone or anything. Susan D also experiences a dynamic time, but with less focus and more play. Susan D's energy is more directed towards creativity, self-expression and relaxation.

The only possible discordance with this combination of cycles usually lies in John's perception of Susan D's behavior as lacking responsibility. Susan D is not in the mood to take anything very serious, which may become a source of irritation for John. John, you need to accept the fact that this period represents somewhat of a break – as matter of fact, a necessary break - for Susan D.

### ***Susan D, your Personal Month for January 2007 is 2***

January is a 2 Personal Month in a 1 Personal Year. This is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind.

This is a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism, and back again. This is to be expected when you are right in the middle of a major personality overhaul.

January is your first month of a new long-term cycle. Many of the changes you are going through require approximately two years; you have now begun the second of those years. Your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing.

Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships.

For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. You are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

February is a 1 Personal Month in an 8 Personal Year. Now things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions.

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

April is a 5 Personal Month in a 1 Personal Year. It brings change in many practical areas of your life. As explained earlier, this year and last combine to bring about major

changes. April brings many of these changes to the surface. They can include a change of residence or in career.

The month often includes travel. You can count on a dynamic month, hectic even, but also adventurous and exciting.

Consequently, the month requires flexibility and a willingness to accept change. Adapt. Respond. Embrace change. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises, but don't worry; the changes will streamline your ship and make your progress easier and more efficient.

Your ability to promote yourself and your ideas is also enhanced. You have an uncanny talent to be in the right place at the right time this month. Both at work and at social events, you'll be able to advertise your talents and abilities. People will be drawn to you.

### ***John , your Personal Month for April 2007 is 3***

April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Your self-expression and sense of humor improve, and it is easy to make new friends during this time.
